

Solo/Ensemble Volunteer

On **March 3**, Berlin High School will be hosting hundreds of talented junior high and high school music students attending our District Solo/Ensemble Festival. The festival brings students from Berlin, Ripon, and Winneconne together as they perform solos and ensembles for judges throughout the day in approximately 13 different performance sites.

In order to make this day run smoothly, there is a need for approximately 80-100 volunteers to work either the morning, afternoon, or all day. Jobs include working in the kitchen, monitoring the door at a performance site, working inside the performance site, monitoring an information table or helping on the computers in the office area. We are also in need of a few nurses to be available during the day in case of medical need. Although a half-day or full day is preferred, the kitchen and information table shifts can be shorter. You don't have to be a musician to be a volunteer in any area!

We hope to have enough volunteers to cover areas when working parents wish to hear their own children perform.

If interested, please fill out the bottom of this form, as well as the enclosed volunteer form (if you do not have one on file with the district). **These forms should be returned to any Berlin school music department no later Wednesday, February 15th.** A schedule will be determined and you will receive notification of your times by Friday, February 24th. If you have any questions, please contact me at the middle school.

The music department truly appreciates any time that is volunteered!

Thank you!
Tricia Walhiem
Solo/Ensemble Volunteer Coordinator
