KIWANIS CLUB MAKES DONATION TO BASD STUDENTS

Berlin, WI - The Berlin chapter of the Kiwanis Club donated two iPads to two Berlin Area School District students. The donation was made as part of the iPads for Autism project which has provided 1,460 iPads to students with special needs in Upper Michigan and Wisconsin. The Berlin Kiwanis chapter has provided 16 total iPads since the project's inception in 2012.

"It is so rewarding to deliver these iPads to students who will use them for communication and skill development," said Mark Finger, Berlin Kiwanis President.

"We truly appreciate our community partnerships," noted Ann Schnyder, Director of Pupil Services and Special Education. "This program is so important because it has a direct positive impact on students in our schools."

Kiwanis International is a global community of clubs, members and partners dedicated to improving the lives of children one community at a time. Today, the organization has 550,000 members serving 80 countries and many geographic areas. Each community has different needs, and Kiwanis empowers members to pursue creative ways to serve the needs of children, such as fighting hunger, improving literacy and offering guidance.
