A MESSAGE FROM THE PRINCIPAL

Greetings BMS Families!

We are in the final month of school, warm weather is coming and spring fever may be hitting our youth! More importantly, our students need to be in class for academic success even on those warm days when they would rather not be in school. Furthermore, missing school unnecessarily can lead to poor grades, learning loss, and potentially, poor decision-making that can lead to larger consequences.

Families play an important role in making sure their student's attendance is on track. To reinforce your middle schooler's attendance: share your expectations that your student should be in every class every day; say that school is your student's most important job and showing up is essential. Be firm and not allow your child to skip school for frivolous reasons— being tired or unprepared for class are not valid excuses. Work with Berlin Middle School if you discover that your child is skipping classes or school because there may be a larger problem going on. Talk to your child first, then teachers, and then other school staff if necessary.

Many attendance struggles can be solved when parents and schools work together. We want to see all of our students for the last two months because we are committed to their success! As always, if you have any questions, please reach out. Happy Spring!

Kind regards,

Colleen Pariso

BMS Principal

FIELD TRIP INFORMATION

BMS has once again planned an incredible day of learning outside of the classroom for all students on Thursday, June 1st. More information about lunch options, what to bring, and what to wear, will be coming soon. Please check your email for more information!

To celebrate all of our students' hard work this year, BMS will be hosting a color run on Friday, May 19th from 1 - 3:20 pm. A note was sent home to all families explaining the details of this fun event. Please remember that all students should wear old clothing on this day if, on the off chance, the color stains their clothing. Stay tuned for pictures and more details soon!
