A MESSAGE FROM THE PRINCIPAL

Greetings BHS Families,

It is such an exciting time at Berlin High School! Our spring sports and clubs are in full swing and it's been great for our students and student-athletes to find time to get outside. Our sports facilities require a tremendous amount of TLC each spring to get ready for play, and I want to say thank you to the school staff, coaches, players, and volunteers who do such a great job to get us outside as soon as possible. I also want to acknowledge the efforts of Ms. Remer and our Agriculture and FFA students who have worked extremely hard on the sculpture garden to the west of the high school. They have taken out truckloads of debris and trying to bring that area back to life. Well done Ms. Remer and students!

The next few weeks will go extremely fast. With all the 'extra's', it is easy to lose sight of academics. It is common for students to miss classes because of field trips or early dismissals for sports. The responsibility is on the student to stay up to date on the work they miss. We have a few more ELT periods this school year that students can use to make up labs or exams or to go in and get extra help on things. Please take advantage of those times. Parents, please check your child's grades frequently and reach out to the teachers if you have any questions.

Finally, I want to say congratulations to the Class of 2023. You have been wonderful to me in my first three years as principal, and it is bittersweet to watch you go. I hope that you can look back on your time at BHS with positive memories. You have been prepared to do well in this world, so go out and make BHS proud!

Here's to a great end of the school year for all!

Yours,
Bryant
