Position Details

Start Date: 01/14/2021

Appointment Type: Full Time

Description

The Berlin Area School District seeks an elementary school assistant principal that serves approximately 660 students in grades 4K-5. The ideal candidate will:

- support the school's principal in providing leadership aligned with both state and national leadership standards.
- serve as an instructional leader, that includes coaching and supporting teachers, to support high-quality teaching and learning practices that result in positive student performance outcomes.
- understand the developmental needs of children in both primary and intermediate grade levels.
- have the ability to build strong relationships with all school stakeholders and leverage these relationships in a collaborative manner to create a positive school culture resulting in students who are college, career, and life ready.
- understand the unique social, emotional, and developmental needs of elementary school children and know how to leverage Student Services and community partners to ensure the diverse social-emotional needs of students are met.
- have the ability to leverage financial, personnel, and other district leaders as resources to ensure the school functions at an optimum level.
